NURSE'S NOTES

Can Concussions be prevented?

You cannot prevent kids from getting hurt, but you can reduce the risk of brain injury with a few simple precautions. The National Institute of Neurological Disorders recommend that all children wear a seat belt or use a safety seat when riding in a car. Always have your child wear a helmet when: riding a bike, playing football, ice hockey, roller skating, horseback riding or snowboarding.

PRETZEL SALES

Pretzels will be sold every Thursday for \$.50 each.

Welcome Back!!

Our first fundraiser is an easy one. It is a discount card. Each card is \$10 and has multiple discounts on it that can be used multiple times. So even if you decide to purchase one later in the year it will still be good until October 2019, plenty of time to use it! The only discount that expires earlier is the Dicks Sporting Good which expires December 15, 2018.

We think these will be an easy thing for you to sell to friends and family in the area. Who doesn't love to save a few bucks and help the school out at the same time??

Below is an order form that you can complete and send into school with your child at any time. We will fill the orders on a weekly basis and send them home with your child. You can order multiple times if you would like.

Please include either cash or a check made out to Norwood Home & School with you order.
