**From the desk of Dr. Goldberg:**

Dear Norwood community: The Norwood School is accepting any donations of Legos for its new STEM room, called the "STEM Den." This new classroom, formerly the computer lab, encourages collaboration through carefully planned STEM activities that integrate Science, Technology, Engineering/Design, and Mathematics as well as Robotics/Programming and Coding and Art. The Legos are used in many activities and help encourage creativity and design with many of our devices. We are accepting any type of Lego piece, new and old. Please bring to the office or the STEM Den. Thank You!

Dr. Chris Goldberg, Norwood STEM/technology coach
