HIGHLIGHTING A SPRING 2024 MINI GRANT RECIPIENT

Mrs. Mary Deegan, Kindergarten Academy ★ Kinder-Garden Growth & Learning

Last spring, Mrs. Deegan was inspired to spruce up a green space at the Kindergarten and Early Learning Academy so that the school community could use it to grow and learn and enjoy it for years to come. Her class got to work re-greening the plot and turning it into a beautiful and vibrant space, along with help from Mrs. Julia Pickett. The students made labels for each of the plants and learned all about what a plant needs in order to thrive. The Kinder-Garden also features a Little Free Library – a generous donation to the Kindergarten Academy from Mrs. Pickett’s father.

Coming in Edition 4: More highlights of the Spring 2024 Mini Grant awards!

MEET AN IEF BOARD MEMBER

Lois Snyder
Board Member

As an IEF board member, Lois brings decades of wisdom and passion for the Interboro School District. Before retiring from the district in 2009, she was Principal of Norwood School; Director of Curriculum and Instruction, Grs. K – 8; Principal of Kindergarten Academy; and Superintendent of Interboro School District. Before joining our school district, Lois was an elementary teacher, guidance counselor, and assistant principal in the Upper Darby School District. One of the highlights of Lois’s many accomplishments at Interboro was the development of the full-day kindergarten program, which was recognized as one of six model sites for early childhood education across the state.

Evidence of Lois’s dedication to non-profit work is her service as Board Member of the Franklin Mint Federal Credit Union Education Foundation and as Vice President of the Delaware County Literacy Council.

Following her retirement from Interboro, she was President of The Edward Joseph Snyder Family Support Center/OrganizED Giving; President of the Board of Directors of Family and Community Services of Delaware County; and a member of DKG, an international society of educators supporting women in education.

Lois holds the following: BA Sociology and PA Certification in Elementary Education; MA Elementary School Guidance, Villanova University; MA Secondary School Guidance Counseling, West Chester University; PA Certification – Curriculum and Instruction; PA Certification – Administration; Doctorate – Educational Leadership; Letter of Eligibility – Superintendent of Schools; and she is eligible to hold all positions in K-12 public school education in Pennsylvania.
