

# WATT'S GOING ON?

An illuminating review from Interboro Education Foundation

Interboro Education Foundation is looking forward to bright future initiatives!

Welcome to this school year's 2nd Edition of "Watt's Going On?" - the illuminating review that sheds light on our mission to foster bright futures for students in grades Pre-K to 12!

## MEET A FEW OF THE MINI GRANT RECIPIENTS

**Ms. Elizabeth Adams, Prospect Park School**  
Autistic Support Room

Ms. Adams sought support for purchasing items to assist with the social and emotional well-being of children in her classroom. She was able to purchase items that have been proven to help her students to use taught coping strategies for regulation. Ms. Adams hopes that the items will increase her students' availability to learn and total time spent on tasks.

**Ms. Emily Catanese, Tinicum School**  
Bucky's Cafeteria Treasurer Chest

PBIS is a Tier 1 intervention system that is used in the Interboro Schools. Ms. Catanese used the funds provided to help the PBIS team at Tinicum School and rewarded students for displaying positive behavior. Students were polled to see what types of prizes they would like to earn! This initiative also ties in with the school's Buc Notes from academic classes.

She is an active member of the Pennsylvania Library Association (PaLA), serving as the Nominations & Elections Representative for the Southeast Chapter. *A very sincere thank you to American Services Group of California, Inc., ISD Payroll Deduction participants, and all of our supporters.*

IEF sends our heartfelt appreciation to American Services Group of California, Inc. for its generous donation to Interboro Education Foundation. IEF is the beneficiary of this inspiring gift thanks to the consideration of Interboro Class of 1983 Alumni George Adams, Jim Kennedy, George Lewis, and David Stillman.

We extend special appreciation for our benevolent supporters who can be found among ISD personnel and multiple district neighbors.

The alumni's sentiment - "let's give back to the district that produced us" - warms our heart and inspires us as we advance to foster bright futures. Our Mission is made all the more possible and all the more impactful by the support we have received from our community near and far.
