

## *Ms. Holly Curran and Maggie Mae*

### School Counselor and Certified Therapy Dog

Hello and welcome! I am so honored to be the School Counselor at Prospect Park School. I have been with Interboro School District for over 30 years, becoming the Counselor in 2005, so I feel like I know the community well, and can help your child reach their goals in school to become who you envision them to be. Please feel free to contact me at any time with questions, concerns, and issues, and together we will find a solution that best fits your child's needs.

There are many roles I fulfill as a School Counselor. Some roles include meeting with students for individual counseling sessions and/or group counseling sessions. I also teach lessons within the classrooms to meet specific needs of students. I am a member of the Child Study Team and the Student Assistance Program Team who meet weekly to discuss student academics, social/emotional needs, and truancy concerns. Outside agencies also contact me to discuss how their services relate with the school services for the child. For the middle school students, I coordinate and facilitate the Agenda Book/PBS Program.

I am also the proud mom of Maggie Mae, Queen of the Hill, who is one of the Interboro School District Therapy Dogs in the PAWS to Learn Program. The district started this fantastic program in 2019, so your child may interact with Maggie, certified with the Alliance of Therapy Dogs.

There are many more activities that fill my day, but my primary focus is the wellbeing of the students so that they are in a healthy state to learn all that is being taught. I look forward to serving you and your child, so if there is any way I can help in any situation, please feel free to contact me.

Holly Curran, M.Ed.  
School Counselor
