December 17, 2021

Dear Interboro Families and Staff,

Based on the PA Department of Health ([PA COVID- 19 Dashboard](#)) and the CDC ([COVID- 19 Integrated County View](#) ) the District is currently in **HIGH**, and masks are **REQUIRED** for the week of December 20 – 22.

CDC DATA: as of Date 12/17/2021	
<a href="#">Delco Incidence Rate</a>	317.07
<a href="#">Delco Incidence Rate</a>	9.16%

The masking requirement for students, staff, and visitors will be determined on a **weekly** basis. The district has developed an **“Interboro Local COVID Tracker – Community Update”** that will be sent out to the school community every Friday. This document will be sent out electronically, through our messaging system and posted to the website.

**Please note that this decision does not impact the federal directive [requiring all passengers and drivers to wear a mask on school buses](#), including buses operated by public and private school systems; these requirements remain in effect.**

The district will continue with mitigation efforts that include handwashing, social distancing, daily symptoms monitoring for students, increased ventilation, cleaning, and sanitizing of all facilities.

If parents have questions or concerns, please contact your child’s building administrator or my office.

We appreciate your understanding as we diligently work to provide a quality education for our students, in a safe and healthy environment for all.

Sincerely,

Bernadette C. Reiley  
Superintendent of Schools
