

How Students Can Log In to Google From Home:

Open web browser and type in: google.com

Click on the 'Sign In' button

Then enter your Interboro email address (example: firstname.lastname@interborosd.com)

A screenshot of the Google Sign in page. The page displays the Google logo, the text 'Sign in Use your Google Account', a text input field for 'Email or phone', a 'Forgot email?' link, a link to 'Learn more' about Guest mode, a 'Create account' link, and a blue 'Next' button.

Then enter your password:

Password for elementary and middle school is: isd and their lunch number. (example: isd0123)

Password for high school is whatever student created (if forgotten call technology to reset password)

A screenshot of the Google login interface. At the top is the Google logo. Below it is the word "Welcome". There is a rounded rectangular input field for an email address, containing a person icon, a dotted line, and the text "@interborosd.com" with a dropdown arrow. Below the email field is a larger rounded rectangular input field for a password, containing the text "Enter your password" and a toggle icon. At the bottom left of the form is a blue link that says "Forgot password?". At the bottom right is a blue button with the text "Next".

You will then be brought to a screen that looks like this one:

From here if you click on the waffle button

This will bring up this menu:

From here students can get into their email and google drive and any documents
