## THE INTERBORO VIRTUAL ACADEMY EXPERIENCE

In preparation for the upcoming, 2021-22 school year, the District plans to return to normal school programming with all K-12th grade students returning to in-person learning. Recognizing that some families may want to continue to have their children learn virtually, the District will provide a Virtual Academy option for K-12 students. The Interboro School District is pleased to announce that we will be offering an Interboro Virtual Academy for the 2021-22 school year! Please take our survey to help us design the best offerings for your student!

# New Model, Same Mission.

“ *Interboro School District provides a challenging and supportive learning environment for all students to succeed academically, socially and emotionally while becoming college and career ready citizens within a global community.* ”

### ACCESS & TECHNOLOGY

Interboro School District provides developmentally appropriate devices to each Virtual Academy student so that students can easily access their virtual learning. Internet service will also be provided for qualifying families. Students will also have access to a physical workspace should they choose to work in the building.

### PARTNERSHIPS

Interboro School district partners with Delaware County Community College so that our students may enroll in tuition-free Dual Enrollment and the Delaware County Intermediate Unit for tuition-free Technical School Programs. All Virtual Academy Students can access these programs as Interboro School District Virtual Academy Students.
