Dear Interboro Community,

Today, Governor Wolf announced that all K-12 schools and programs are closed for the remainder of the 2019-2020 academic year.

I understand this raises many questions and is disappointing for so many of us. However, we are all in this together, and our focus must be on protecting everyone's health.

Our distance learning plan will continue, and the entire Interboro administrative team, teachers and staff are here to support you and your students.

We will continue to provide on-going communication to families as decisions are made regarding student learning, end of the year activities, and closing out the school year.

Thank you,

Bernadette C Reiley  
Superintendent of Schools
