Good afternoon,

I hope this letter finds you well, and that you and your family are transitioning back into the school year.

On Friday, Sept 18th we received the latest information from the Chester County Health Department showing the overall percentage of positive COVID cases in the county has decreased from 4.04 % to 3.19%. Also, in looking at the percentage of cases in our four communities, we are averaging between 1.29% to 2.04% of total case percentages.

Based on these percentages and following the guidelines established by the Chester County Health Department, the District has made the decision to begin a phase-in approach to in-person learning beginning on Monday, September 28th.

The schedule is as follows:

*****All students need to bring their Banker boxes and devices to their first day of in-person learning.**

Return to In Person Learning Schedule for Students

We have also revised the dates for Virtual Back to School nights on the 2020-2021 Parent Calendar (link is provided below). More information will be coming from your school principal shortly.

To ensure you have a clear understanding of the nursing protocols and procedures we will be following when students return, there will be two informational sessions scheduled with our nursing team and administrators. These are scheduled for Thursday, Sept. 24th and Thursday, October 1st for parents. Please choose the session before your students return to school.

Registration is required. After registering, you will receive a confirmation email containing information about joining the webinar.
