RE: COVID-19 - Update to Parents

Good afternoon parents,

As we enter into the two (2) week shut down period we are in the process of developing a plan for medication pick up, "Grab n Go" meals, and educational resources for all students.

1.) Medication

Administrators or the school nurses have contacted parents whose students may have immediate medication needs. We are hoping to have a pickup plan in place for Wednesday, March 18th. Parents will be contacted individually with time and location. If you did not receive a call, but are in need of medication, please contact my office at 610-461-6700, ext.1124

2.) "Grab n Go" Meals

Beginning on Monday, March 23rd through Friday, March 27th, the Interboro School District will make "Grab and Go" breakfast and lunches available for ALL PreK - 12th grade students between 11:00 a.m. - 1:00 p.m. **Please complete this survey ONLY if you are interested in picking up a "grab and go" bag for your child(ren) on a daily basis.** The link for the survey is: <https://forms.gle/E1gUoNe52cX1XUwUA> **The survey will be open until 3:00 p.m. on Wednesday, March 18th.**

Based on survey responses, the District will determine the location(s) of distribution. Parents/guardians who indicate that they will pick up meals on a daily basis will receive logistical information from the District by 3:00 p.m. on Friday, March 20th.

3.) Educational Resources

We are still in the process of finalizing the resources for students and families, and plan to have them posted to the website by Wednesday, March 18th.

Please continue to check your emails for the latest information.

Thank you for your continued cooperation.

Sincerely,

Bernadette C. Reiley
Superintendent of Schools
