

*Monday November 15, 2021
Presented Virtually via Zoom
(A Link Will Be Sent Out the Day of the Training)
6:00-8:00 p.m.*

Presenter:
Samantha Pudloski,
Office for Dispute Resolution Program Manager

Creating Agreement in Special Education

Successfully resolving conflicts and communicating well throughout a child's educational experience is more likely when everyone has developed the skills to do so. Participants will be introduced to key concepts including the conflict cycle, perceptions, positions and interests, and power imbalance, and provided with a six-step conflict engagement model. This interactive training will allow participants to assess their conflict resolution style and learn important conflict resolution concepts and skills that can be utilized when in a conflict situation.
