RE: NETWORK DISRUPTION UPDATE FOR PARENTS/GUARDIANS

Dear Parent/Guardian,

As communicated yesterday, Interboro School District recently identified unusual network activity that is impacting the functionality of some of our IT systems. We quickly began taking steps to ensure the security of our network and restore full functionality to our systems and servers as soon as possible.

We are also undertaking a thorough investigation to understand the nature and scope of this disruption. This investigation is active and ongoing. We are devoting significant resources to these efforts. In the meantime, we continue to develop alternative processes to support classroom learning.

We remain dedicated to providing our community with excellence in education and appreciate your patience and understanding as we work to investigate and respond to this issue.

Sincerely,

Bernadette C. Reiley
Superintendent
