Re: Update on Food Services Procedures

Dear Parents/Guardians,

The District wanted to inform you that the waiver for all students to receive free meals has been extended through the 20/21 school year. With this extension, we have made a few modifications to our current procedures.

Beginning on October 26th, we will be making modifications to meal sign ups and distribution as follows:

- Daily lunch count will be taken by your child's homeroom teacher in grades K-8.
- Meal pick up will continue Mondays and Thursdays for virtual students. Weekend meals and 7th & 8th grade asynchronous meals will now also be available for pick up on Mondays & Thursdays from 2:30 - 5:30pm at your local community school and **not** sent home with students.
- There are no additional sign ups, just continue to show up for the extra meals and they will be provided to you.
- Families of Kindergarten students seeking weekend meals can pick them up at their local community school on Mondays & Thursdays from 2:30 - 5:30pm.
- There are no changes to the High School procedures. Hybrid high school students can receive all their meals during their in-person instruction days.

We will continue to run a limited menu until further notice. If there are any questions regarding allergens or dietary restrictions, please contact the food service office at (610) 237-6410 ext. 4. Any additional questions can be directed to your building administrator.

Thank you!

Bernadette C. Reiley
Superintendent of Schools
