

## Join us for an introduction to Girl Scouting!

- · Launch into Daisies is a fun-filled four-session program for girls entering Kindergarten or first grade in the fall.
- · Girls will meet new friends and share new experiences.
- All girls will receive a certificate.
- · Parents should come ready to help lead the fun!
- Receive information on how to continue your Girl Scout experience this fall.

## There is power in every G.I.R.L.

They design robots, start garage bands, and improve their communities. Girl Scouts are big thinkers, groundbreakers, and role models. Are you ready to take the lead...like a Girl Scout?
