

**A Joint Statement from the  
Interboro Education Association Executive Committee  
&  
the Administrators of the Interboro School District**

August 3, 2020

To the Interboro School Community,

Our black students and families matter. We stand with you. We hear your voices and we are listening.

As educators, and public servants, it is our duty to support our students: to care for them and nurture them.

This is a time for us to learn alongside our students and to listen to their stories.

We are devoted to them and to working with all our students to build a community built on a foundation of equity, tolerance, and compassion.

Yours in solidarity,

Interboro School District
