MAINTAINED BY THE BOROUGHES OF GLENOLDEN, NORWOOD, PROSPECT PARK AND TINICUM

July 2021

To the Taxpayers of the Interboro School District:

On June 16, 2021 the School Board Members of the Interboro School District passed the 2021-2022 General Fund Budget, which included an increase to the school real estate taxes of 2.6%. Based on this increase, the mills for the 2021 tax bills is 24.5085, 24.50 for every \$1,000 of assessed value. This results in the annual increase for a property assessed at \$100,000 to be approximately \$62.

The court ordered county-wide reassessment was revenue neutral and as such the District could not use the reassessment to increase school real estate taxes. The increase of 2.6% was within the Act 1 guidelines and any additional increases experienced by taxpayers in the District was a result of the county-wide reassessment, which was beyond the School Board Members and the District's control. Any issues, concerns or questions that taxpayers may have concerning the county-wide reassessment should be directed to the Delaware County Council and/or the Delaware County Tax Assessor's Office.
